Hi Diana,

For instance, on the sheet the week of 1/27/20 half of the locations on the sheet are missing.

Ex. please see attached:

Tiffany,

Would you please provide me with an specific date of locations that were completed?

Also, if you scroll down the previous weeks still remain on the sheet.

Hi Tiffany,

I'm sorry for the inconvenience.

Let me see if I can track it, and also make sure no one else has access to your sheet.

I will get back to you.

Thank you!

Hi Diana,

Happy Friday! Hope you are doing well. I had a quick question about the CARE sheets. My previous locations keep getting deleted, and I don't know who is deleting them. When I check our previous weeks, a lot of the locations and divisions are gone.

Not sure what is happening--would you by any chance know? I want all of my locations to remain the same on my sheets so I can refer back to them if necessary. Thank you in advance.

Best,
